

Abstract

1 - [A scientific approach to the conservation of printed photos.](#) [1]

Prof. Enrico Ciliberto¹, Prof. Mona Fouad²

¹ Catania University

² Cairo University

[2] 2 - [Climate of Egypt between dryness and torrential rainfall: patterns of climate variability.](#) [3]

Marina Baldi

National Research Council of Italy, Institute of Biometeorology (CNR – IBIMET).

3 - [Climate report of Egypt.](#) [4]

Mr. Hamdy Abd El Rahman, Mr. Magdy Kamal Badir

Egyptian Meteorological Authority (EMA).

4 - [Enhancing Historic sites and Landscapes: an Integrated Approach.](#) [5]

Heleni Porfyriou

National Research Council of Italy, Institute for the Conservation and Valorisation of Cultural Heritage (CNR - I CVBC).

5 - [Environmental disasters from ancient Egyptian sources.](#) [6]

Dott. Giuseppina Capriotti, National Research Council of Italy, Institute for Ancient Mediterranean Studies (CNR – ISMA).

6 - [Environmental Impacts on Archaeological sites and Culture in Aswan.](#) [7]

Prof. Magdi M. Ali

Prof. of Aquatic Ecology Faculty of Science, Aswan University and Dean of Faculty of Fish & Fisheries Technology.

7 - [Evaluating and Mitigating the Natural and Man-made Hazards At some selected Archaeological sites in Egypt Using Remote Sensing And GIS techniques.](#) [8]

Dr. El-Sayed Abbas Zaghoul

National Authority for Remote Sensing and Space Sciences (NARSS), Cairo.

8 - [Geographical investigation in support of archaeological and environmental studies.](#) ^[9]

Dr. Prof. Paola Falcioni

University of Roma Tre.

9 - [Geophysical events in the Mediterranean basin: a geomythological approach.](#) ^[10]

Dr. Mario Aversa

Institute for Environmental Protection and Research (ISPRA), Rome - Italy.

10 - [How can archaeological research benefit from remote sensing.](#) ^[11]

Dr. Maurizio Fea, Dr. Chris Stewart, Dr. Stefano Gusmano

Team "Satellite remote Sensing in support to Egyptological Research, National Research Council of Italy (CNR – ISMA).

11 - [Human impact on water disasters a long-term history.](#) ^[12]

Dr. Laura Genovese

National Research Council of Italy, Institute for the Conservation and Valorisation of Cultural Heritage (CNR - ITABC).

12 - [Innovative methodologies of photoscanning and photogrammetry in the Egyptian Cultural Heritage: from the hieroglyphs to the archaeological areas.](#) ^[13]

Dr. Andrea Angelini

National Research Council of Italy, Institute of Technologies Applied to Cultural Heritage (CNR - ITABC).

13 - [International Collaboration for Protection of Egyptian Cultural Heritage.](#) ^[14]

Prof. Mohamed Abd El Hady

Prof. of Conservation of Historical Buildings, Faculty of Archaeology, Cairo University, Egypt.

14 - [Italians and Italian Language in Egypt in the Twentieth Century.](#) [15]

Abdelhaleem Hussein

Faculty of Languages and Translation, Aswan University.

15 - [Modern Technology and care of museum archeology and environment.](#) [16]

Prof. Dr. Badawi Ismail

Professor of Archeological Science.

16 - [Occurrences of copper and fuel resource are main factors controlling trade routes of Bronze age copper in Sinai and Eastern Desert, Egypt.](#) [17]

Abdel Motelib*, A., Elderby**, A. and A. El Manawi*

*Geology Department, Faculty of Science, Cairo University, Egypt

**South Wadi University, Faculty of Archeology, Egypt.

17 - [Palaeolandscapes and human settlement in West Bank Aswan.](#) [18]

Ilka Klose

Free University Berlin, The Aswan-Kom Ombo Archaeological Project.

18 - [Presentation of the Activities and Results of the Italian-American Archeological Mission in Aswan and Kom Ombo.](#) [19]

Prof. Antonio Curci, University of Bologna, Prof. Maria Carmela Gatto, Yale University.

19 - [Satellite information in support to archaeological research in Egypt.](#) [20]

Dr. Maurizio Fea, Dr. Chris Stewart, Dr. Stefano Gusmano

Team "Satellite remote Sensing in support to Egyptological Research, National Research Council of Italy (CNR – ISMA).

20 - [Some environmental challenges in the aquatic environment of the River Nile.](#) [21]

Dr. Medhat Ibrahim

Spectroscopy Department, National Research Centre, Cairo, Egypt.

21 - [Some Geoarchaeological Defects in Some Ancient Egyptian Rock-Tombs and Amphitheatre Temples at the west Thebe. Which have played a role in their deterioration and damage.](#) [22]

Prof. Abdou A.O.D. El-Derby

Associate professor of Archaeology Conservation, Chairman of Archaeology Conservation Department, Faculty of Archaeology, South Valley University, Qena , Egypt

Ex. Director General of Archaeology Conservation , The State Ministry for Antiquities Affairs.

22 - [Study of Climate at Dabaa area, Egypt.](#) [23]

Mr. Hamdy R. Abd Al Hamid, Mr. Magdy Kamal Badir

Egyptian Meteorological Authority (EMA).

23 - [The art. It is a source of history.](#) [24]

Dr Ahmed Faraman.

24 - [The development of Qobet El-Hawa site: the problems and the proposed solutions.](#) [25]

Dr. Ossama Abd El-Maged

Director General of children Museum-Cairo.

25 - [The impact of palaeoclimatic changes and fluctuation of Nile floods on Ancient Egyptian Civilization.](#) [26]

M.A. Hamdan¹, F.A. Hassan², R.J. Flower²

¹ Department of Geology, Cairo University, Egypt

² Cultural Heritage Program, French University in Egypt

³Department of Geography, University College London, UK

26 - [The Nile: river of civilization, river of meeting.](#) [27]

Dr. Bruno Marcolongo

National Research Council of Italy, Institute of Applied Geology (CNR – IRPI)

27 - [The UNESCO campaign for the salvaging of the Nubia Temples and the role of the Nubia Museum.](#) [28]

Rageh Mohamed

Director of the Nubia Museum.

28 - [Treatment and Conservation of a Polychrome Egyptian Wooden Sculpture: A Case Study.](#) [29]

Mahmoud Youssif Mohammed*^{a,b} m.youssif@unimelb.edu.au, **Mostafa Abdelfatah^c**, **Robyn Sloggett^b**

^a Conservation Department, Faculty of Archaeology, Fayoum University, Egypt

^b CCMC, University of Melbourne, Australia

^c Saqqara Conservation Department, Ministry of Antiquities, Egypt

29 - [Valorization and conservation of the prehistoric archaeological sites in Algeria, Egypt and Libya.](#) [30]

Dr. Mahmoud Elshandidy

Director General of the salvage of Nubia Monuments Fund.
